Beni, si beruang kecil, takut gelap. "Di sini terlalu gelap," bisikunya.

Beni, the little bear, is afraid of the dark. "It is too dark here," he whispers.

Tiba-tiba ada cahaya kecil. Itu Kiki, si kunang-kunang. "Jangan takut, aku punya lampu," katanya.

Suddenly there is a tiny light. It is Kiki, the firefly. "Do not be afraid, I have a lamp," she says.

Kiki terbang di depan Beni. Cahayanya
menerangi jalan pulang.

Kiki flies ahead of Beni. Her glow lights the way home.

Ada bayangan besar! Beni gemetar. Kiki terbang mendekat. Ternyata itu hanya pohon.

A big shadow! Beni trembles. Kiki flies closer. It was only a tree.

Beni tertawa kecil. "Pohon yang baik!" Mereka sampai di rumah Beni.

Beni giggles. "What a nice tree!" They reach Beni's home.

Kiki menyalakan cahayanya pelan-pelan di dekat jendela. Beni tidur dengan tenang.

Kiki glows softly by the window. Beni sleeps peacefully.
