Sebelum tidur, Raka melipat sebuah perahu kertas. Ia menaruhnya di dekat bantal.

Before bed, Raka folds a little paper boat. He places it near his pillow.

Saat Raka memejamkan mata, perahu itu tumbuh besar dan mengapung di sungai yang berkilau.

When Raka closes his eyes, the boat grows big and floats on a sparkling river.

Ikan-ikan perak melompat di samping perahu.
"Selamat datang!" kata mereka.

Silver fish leap beside the boat. "Welcome!" they say.

Perahu naik pelan-pelan melewati awan
lembut. Bintang-bintang melambai seperti
lampu kecil.

The boat drifts up past soft clouds. The stars wave like tiny lamps.

Di Negeri Mimpi, Bulan tersenyum. "Raka, kamu boleh beristirahat," kata Bulan.

In Dreamland, the Moon smiles. "Raka, you may rest now," says the Moon.

Raka tidur di atas perahu yang bergoyang pelan. Paginya, perahu kertas itu masih di dekat bantalnya. Raka tersenyum.

Raka sleeps on the gently rocking boat. In the morning, the paper boat is still by his pillow. Raka smiles.
