Di tepi danau hidup seekor kura-kura bernama Kuma. Ia berjalan sangat pelan, tetapi ia tidak pernah mengeluh.

By a lake lives a turtle named Kuma. He walks very slowly, but he never complains.

Suatu malam, sebuah bintang kecil jatuh ke rerumputan. Cahayanya redup dan ia menangis pelan. "Aku tidak bisa kembali ke langit," isaknya.

One night, a little star fell into the grass. Its light was dim and it cried softly. "I cannot get back to the sky," it sobbed.

"Jangan sedih. Aku akan membantumu," kata Kuma. Ia menaruh bintang itu di atas cangkangnya dan mulai berjalan.

"Do not be sad. I will help you," said Kuma. He placed the star on his shell and began to walk.

Jalan menuju bukit sangat jauh. Kuma berjalan sepanjang malam. Burung hantu menunjukkan jalan yang aman.

The road to the hill was very long. Kuma walked all night. An owl showed him the safe path.

**Menjelang fajar, mereka sampai di puncak bukit.
Bintang itu bersinar terang lagi dan melayang naik.**

Near dawn, they reached the top of the hill. The star shone brightly again and floated up.

Bintang itu berkelip untuk Kuma sebelum menghilang. Kuma tersenyum, lalu tidur nyenyak di tepi danau. Ternyata berjalan pelan pun bisa sampai jauh.

The star twinkled for Kuma before it vanished. Kuma smiled and slept soundly by the lake. Even slow steps can go far.
