Hari ulang tahun Rafi tiba. Ayah memberinya sepeda baru berwarna biru. "Wah, keren!" teriak Rafi.

Rafi's birthday came. Dad gave him a new blue bicycle. "Wow, cool!" Rafi shouted.

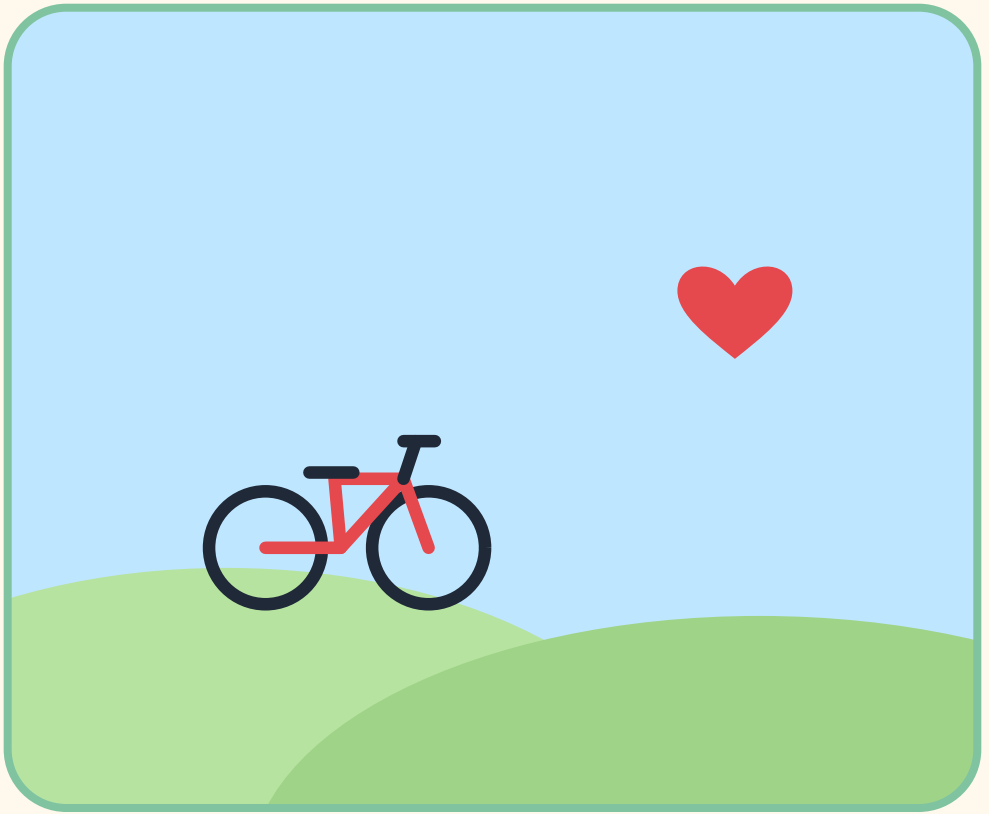

Rafi naik, tetapi sepedanya oleng ke kiri dan ke kanan. Bruk! Ia jatuh ke rumput.

Rafi got on, but the bicycle wobbled left and right. Thud! He fell onto the grass.

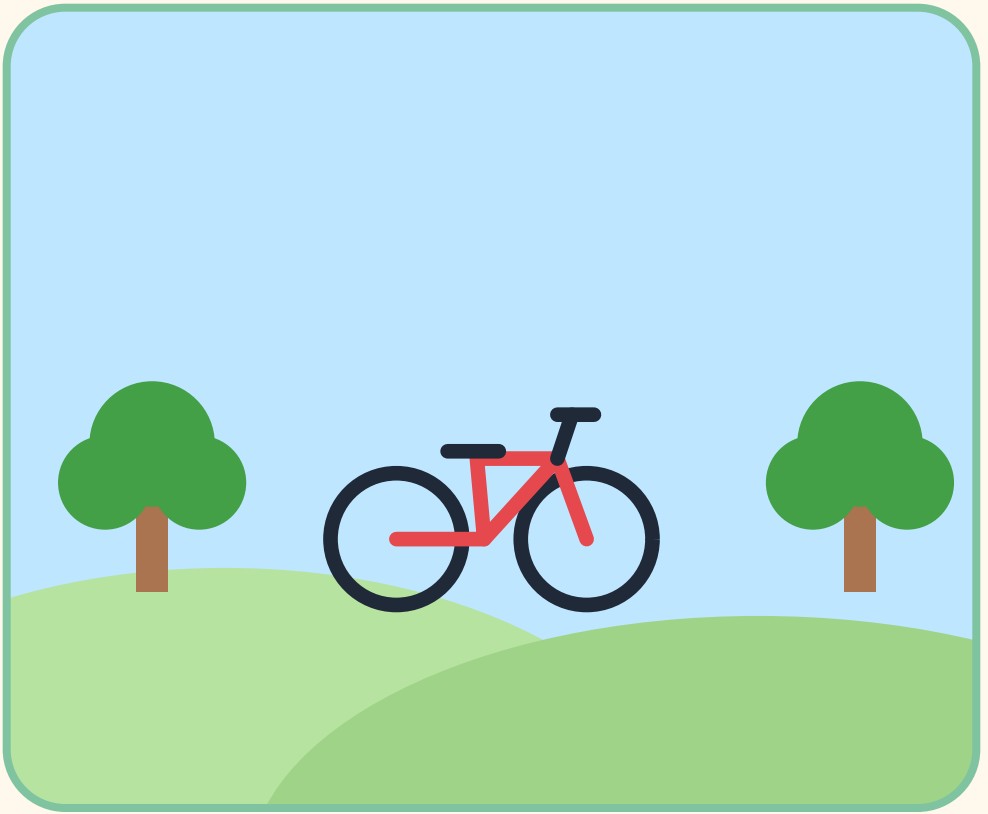

Lututnya sedikit lecet. "Aku tidak mau lagi," katanya sedih. Ayah mengelus kepalanya.

His knee was a little scraped. "I do not want to anymore," he said sadly. Dad stroked his head.

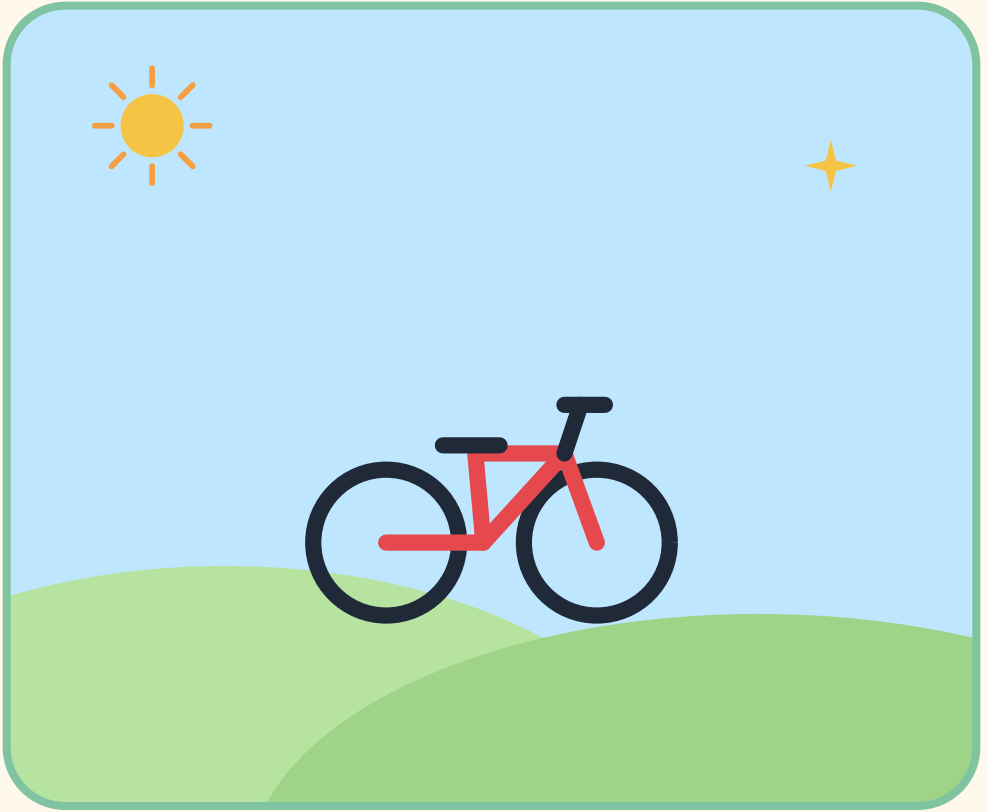

"Semua orang pernah jatuh," kata Ayah. "Coba lagi, pelan-pelan, dan lihat ke depan."

"Everyone falls sometimes," said Dad. "Try again, slowly, and look ahead."

Rafi mencoba lagi. Kayuh, kayuh. Sepedanya mulai lurus. Ayah melepaskan pegangannya.

Rafi tried again. Pedal, pedal. The bicycle began to go straight. Dad let go.

"Aku bisa! Ayah, lihat, aku bisa!" Rafi tertawa sambil berkeliling taman. Ternyata terus mencoba itu kuncinya.

"I can do it! Dad, look, I can!" Rafi laughed as he rode around the park. Trying again was the key.
