Doni, Lila, dan Eko tinggal di kaki Gunung Hijau. Mereka selalu bertanya apa yang ada di puncaknya.

Doni, Lila and Eko live at the foot of Green Mountain. They always wondered what lay at the top.

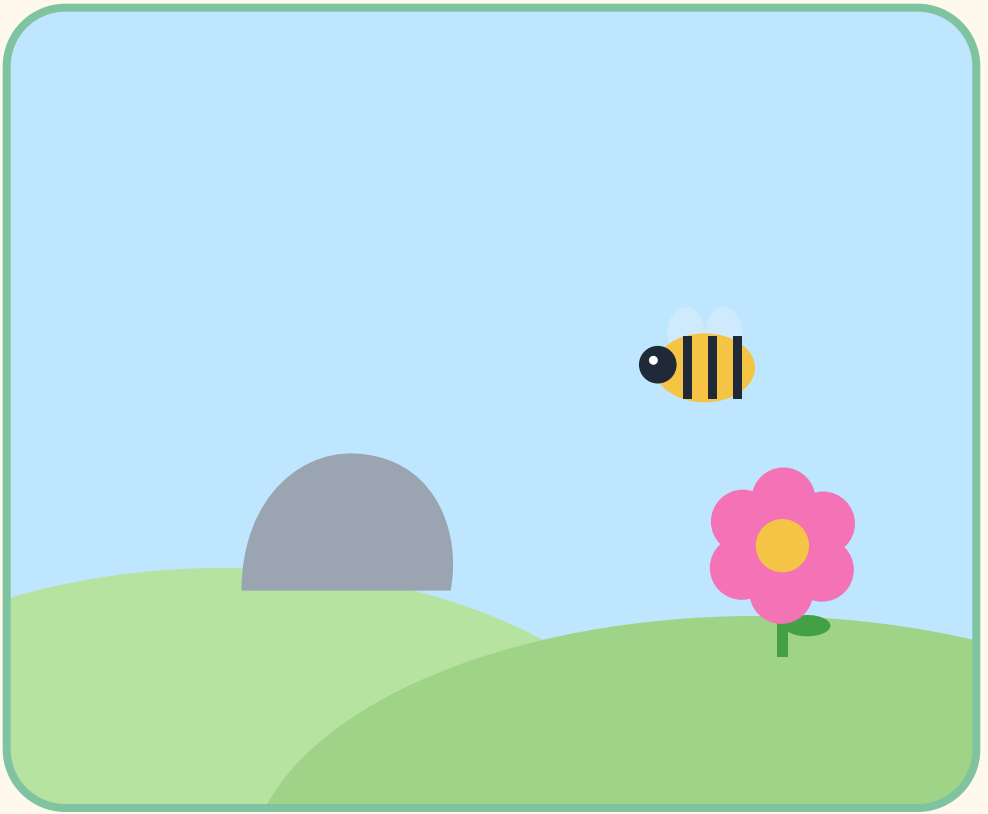

Pagi itu mereka berangkat bersama bekal dan botol minum. Jalan setapak menuntun mereka melewati hutan yang sejuk.

That morning they set off with snacks and water bottles. The trail led them through a cool forest.

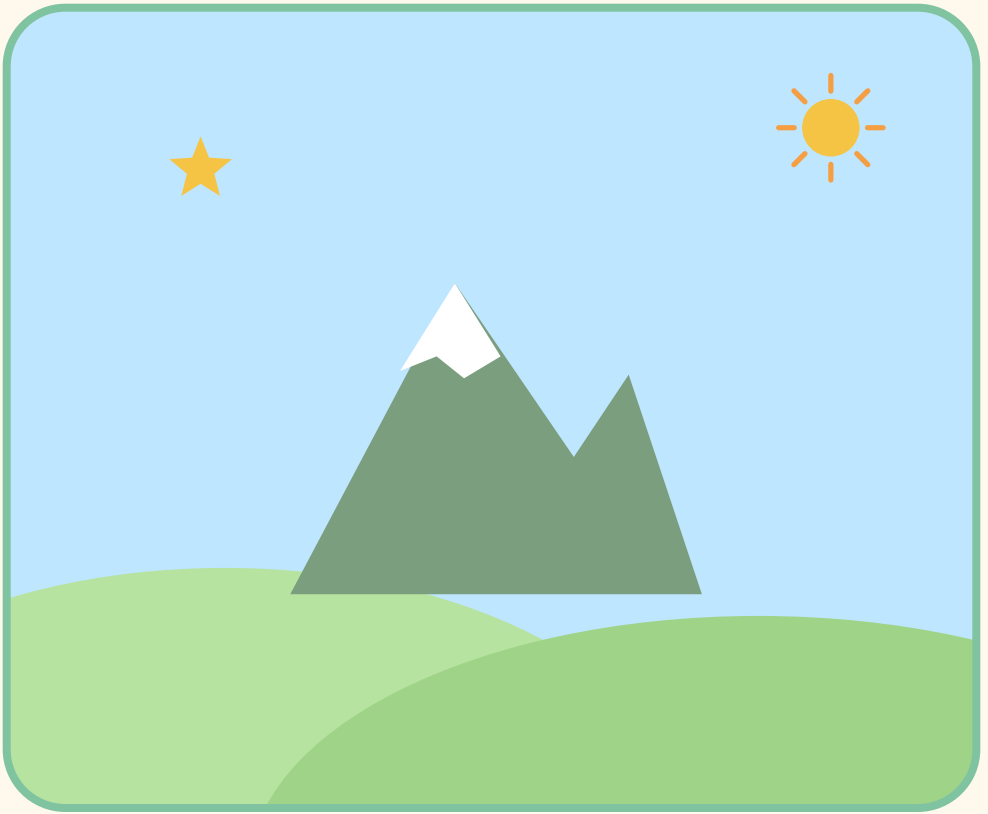

Di tengah jalan, sebuah batu besar menghalangi. "Kita harus berhenti?" tanya Eko. Lila menggeleng, "Kita pikirkan dulu."

Midway, a big rock blocked the path. "Should we stop?" asked Eko. Lila shook her head. "Let us think first."

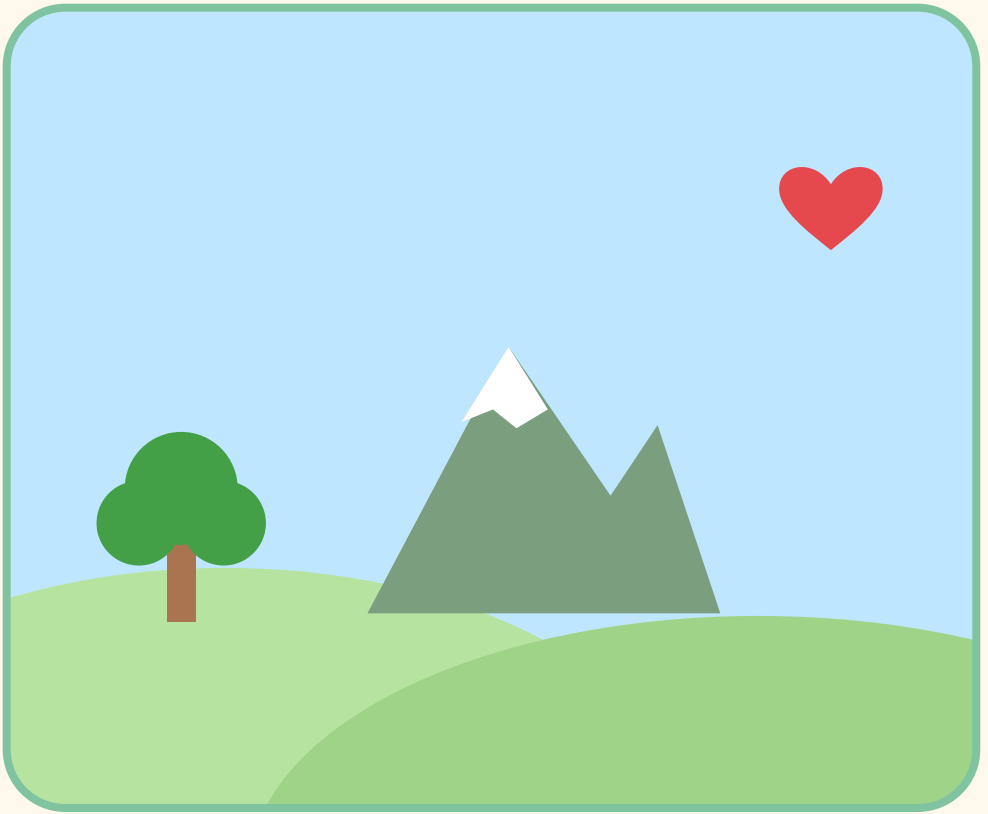

Doni menemukan jalan kecil di sampingnya. Mereka saling membantu melewati batu, sambil menjaga agar tidak menginjak bunga liar.

Doni found a narrow path beside it. They helped each other past the rock, careful not to step on the wild flowers.

Menjelang siang, mereka tiba di puncak. Angin sejuk bertiup dan dunia tampak begitu luas.

Near noon they reached the top. A cool breeze blew and the world looked so wide.

"Rahasia gunung ini," kata Lila, "adalah bahwa perjalanannya yang berharga." Mereka membawa pulang sampah bekal mereka, dan berjanji mendaki lagi.

"The secret of this mountain," said Lila, "is that the journey is what matters." They carried their trash home, and promised to climb again.
