Baca cerita dengan teliti.

Read the story carefully.

Rani menanam biji wortel di kebun kecil di belakang rumah. Setiap pagi ia menyiram tanaman itu dengan sabar. Seminggu kemudian, tunas hijau mulai muncul. Rani sangat gembira. Sebulan kemudian, wortel-wortel itu siap dipanen. Rani mencabutnya satu per satu. Ia membagikan sebagian wortel kepada tetangganya. Semua orang tersenyum senang.

Rani plants carrot seeds in a small garden behind her house. Every morning she waters the plants patiently. A week later, green sprouts begin to appear. Rani is very happy. A month later, the carrots are ready to harvest. Rani pulls them out one by one. She shares some of the carrots with her neighbors. Everyone smiles happily.
